

# AUDUBON BIRD SEED SALE

Welcome to the 37th annual AUDUBON SOCIETY OF OMAHA fall bird seed sale. Audubon is committed to providing you and your feathered winter visitors the highest quality seed available at competitive prices. We appreciate your support and wish you many happy hours of winter bird feeding and watching.

## 2017 PRODUCT PRICES AND AVAILABILITY:

As usual when dealing with weather and crops, we have good and bad news this year. The peanut crop has been excellent this year allowing us to lower their price. Niger is also lower this year. However, drought in the Dakotas has hurt the sunflower and safflower crops and forced those prices up somewhat. Many of our customers have been successful feeding hull-less safflower seed, **Nutrasaff**, which is higher in protein and oil and has no waste. Our seed supplier, Des Moines Feed, tell us that these products are all GMO free. Another no waste product for platform feeders is **CROPS**, which contains fruit as well as nuts and seeds.

## PRODUCT DESCRIPTION:

**CARDINAL MIXTURE**- Millet base with added milo, cracked corn, peanut chips and 20% sunflower by volume.

**AUDUBON STANDARD MIXTURE** - Higher quality basic mix with millet base, cracked corn, hulled oats, peanuts and 40% sunflower seeds by volume. No milo.

**AUDUBON CLASSIC MIXTURE**- Basic ingredients same as Audubon Standard, except sunflower is a 50/50 mix of seeds and hearts and it also contains safflower.

**AUDUBON DELUXE MIXTURE**- Same as Audubon Brand, except sunflower is present as hearts.

**AUDUBON REGAL MIXTURE** - A premium blend of sunflower hearts, shelled peanuts, safflower seed, raisins and protein-vitamin supplement.

**SUNFLOWER SEED, BLACK OIL** - Smaller, more nutritious seeds preferred by most winter birds.

**SUNFLOWER HEARTS** - Fine hearts are finely ground seed suitable for mixing with niger in a thistle feeder, if desired. Medium hearts average about 1/3 the size of whole hearts. Coarse hearts are larger pieces.

**CROPS MIXTURE**- Special no-waste mixture contains cracked corn, raisins, cranberries, oats, peanut and sunflower hearts. There are no seed hulls in this mix so it is very clean to use. It is also designed to attract fruit-eaters such as robins and other ground feeders.

**WOODPECKER GOURMET** - A blend that is just full of nuts. Yummy!

**BUSHY TAIL TREAT** - No squirrel tails in it!! A mix of peanuts, sunflower, whole corn, raisins, pumpkin seed and feed pellets that will tempt even an anorexic squirrel's palate!

**PEANUT TREAT SUET** - A combination of rendered beef suet and chipped, roasted peanuts for the woodpeckers, nuthatches and chickadees in your life.

**NUTRASAFF**-Hulled safflower seed. Higher in protein and oil with no mess.

## **PLEASE PLACE YOUR ORDER BY OCTOBER 12th**
