

AUDUBON BIRD SEED SALE

Welcome to the 8th annual AUDUBON SOCIETY OF OMAHA winter bird seed sale. Audubon is committed to providing you and your feathered winter visitors the highest quality seed available at competitive prices. We appreciate your support and wish you many happy hours of winter bird feeding and watching.

2018 PRODUCT PRICES AND AVAILABILITY: Seed prices have changed little since our fall sale. The seed mixes are a great buy and even imported niger products have gone down slightly. It's a good time to stock up for the remainder of the winter feeding season. Note that CROPS Mixture has been renamed and reformatted. The oats and corn were eliminated, and pecan dices were added to make a richer mix. The new name is RICH & TWEET MIXTURE. Give it a try in your platform feeder for a no-mess experience.

PRODUCT DESCRIPTION:

CARDINAL MIXTURE- Millet base with added milo, cracked corn, peanut chips and 20% sunflower by volume.

AUDUBON STANDARD MIXTURE - Higher quality basic mix with millet base, cracked corn, hulled oats, peanuts and 40% sunflower seeds by volume. No milo.

BUSHY TAIL TREAT - No squirrel tails in it!! A mix of peanuts, sunflower, whole corn, raisins, pumpkin seed and feed pellets that will tempt even an anorexic squirrel's palate!
