FALL 2020 NOTES:

Change is coming to the 40th Fall Bird Seed Sale: A NEW PICK-UP LOCATION for all customers:

Audubon Society of Omaha's Office & Warehouse at 4339 So 90 St (between F St and L St, just off I-80)

Happy Halloween! This year's Fall Bird Seed Sale is a little later than usual, due to an extreme short supply and the unprecedented prices of five of the most common ingredients in bird feed: sunflower seeds, millet, peanuts, safflower and nyjer seed. In view of this situation, we are opting to wait until the new harvests are underway, so that we can offer the best quality seeds at the best prices. As always, our prices are comparable to big-box retailers and lower than specialty bird shops, particularly in large sizes. Some products that we offer are not available at the big-box retailers.

PRODUCT DESCRIPTIONS:

CARDINAL MIXTURE - Millet base with added milo, cracked corn, peanut chips and 20% sunflower by volume.

DES MOINES STANDARD MIXTURE - Higher quality basic mix with millet base, cracked corn, oat groats, peanut pieces and 40% sunflower seeds by volume. No milo.

DES MOINES CLASSIC MIXTURE - Basic ingredients same as Des Moines Standard, except sunflower is a 50/50 mix of seeds and hearts and it also contains safflower. Attracts the widest variety of seed-eating birds.

DES MOINES DELUXE MIXTURE - Same as Des Moines Classic, except that it contains more peanuts and hulled sunflower hearts.

DES MOINES REGAL MIXTURE - A premium blend of sunflower hearts, shelled peanuts (50%), safflower seed, raisins, cherries and a protein-vitamin supplement.

SUNFLOWER SEED, BLACK OIL - Smaller, more nutritious seeds preferred by most winter birds.

SUNFLOWER HEARTS - Fine hearts are finely ground seeds suitable for mixing with nyjer in a thistle feeder, if desired. Medium hearts average about 1/3 the size of whole hearts. Coarse hearts are larger pieces.

NYJER & FINE HEARTS - Blended at 50/50 ratio for easy flow through finch feeders. Both seed types are re-cleaned by Des Moines Feed before packaging to enhance the mix's appeal to finches, chickadees & nuthatches.

RICH & TWEET - Nutritious, no-mess mixture with dried raisins and cherries. Contains 50% peanut hearts and pieces. It is designed to attract fruit-eaters such as robins, thrushes and other ground feeders.

WOODPECKER GOURMET - A blend that is full of nuts. Contain almonds, other tree nuts, pumpkin seeds and raisins.

BUSHY TAIL TREAT - A mix of peanuts, sunflower, whole corn, raisins, pumpkin seed and feed pellets that will tempt even an anorexic squirrel's palate!

PEANUT TREAT SUET - A mix of rendered beef suet and roasted, chopped peanuts for woodpeckers, nuthatches and chickadees.

NUTRASAFF - Hulled safflower seed. Higher in protein and oil with less mess.
