

AUDUBON SOCIETY OF OMAHA

2021 WINTER BIRD SEED SALE

AUDUBON SOCIETY OF OMAHA (ASO) is committed to providing you and your feathered winter visitors with the highest quality bird seed, available at competitive prices from our long-time supplier, Des Moines Feed Co. **Income from the Bird Seed Sale supports ASO's local educational programs and conservation activities.**

WINTER 2021 PRODUCT NOTES:

Wholesale prices have continued the steady 3-year increase in prices for millet (doubling) and sunflower seed (over 50%). These increases have been triggered by drought in the Plains states, competition with food markets and slow-downs in the processing of seed products caused by Covid-19. Consequently, it was necessary to increase the price of sunflower hearts, millet, plus all of the bird seed mixes.

Thanks for your continued support of your local birding organization by participating in this important fund-raiser.

PRODUCT DESCRIPTIONS:

CARDINAL MIXTURE - Millet base with added milo, cracked corn, peanut chips and 20% sunflower by volume.

DES MOINES STANDARD MIXTURE - Higher quality basic mix with millet base, cracked corn, oat groats, peanut pieces and 40% sunflower seeds by volume. No milo.

DES MOINES CLASSIC MIXTURE - Basic ingredients same as Des Moines Standard, except sunflower is a 50/50 mix of seeds and hearts and it also contains safflower. Attracts the widest variety of seed-eating birds.

DES MOINES DELUXE MIXTURE - Same as Des Moines Classic, except that it contains more peanuts and hulled sunflower hearts.

DES MOINES REGAL MIXTURE - A premium blend of sunflower hearts, shelled peanuts (50%), safflower seed, raisins, cherries and a protein-vitamin supplement.

SUNFLOWER SEED, BLACK OIL - Smaller, more nutritious seeds preferred by most winter birds.

SUNFLOWER HEARTS - Fine hearts are finely ground seeds suitable for mixing with nyjer in a thistle feeder, if desired. Medium hearts average about 1/3 the size of whole hearts. Coarse hearts are larger pieces.

NYJER & FINE HEARTS - Blended at 50/50 ratio for easy flow through finch feeders. Both seed types are re-cleaned by Des Moines Feed before packaging to enhance the mix's appeal to finches, chickadees & nuthatches.

RICH & TWEET - Nutritious, no-mess mixture with dried raisins and cherries. Contains 50% peanut hearts and pieces. It is designed to attract fruit-eaters such as robins, thrushes and other ground feeders.

WOODPECKER GOURMET - A blend that is full of nuts. Contains almonds, other tree nuts, pumpkin seeds and raisins.

BUSHY TAIL TREAT - A mix of peanuts, sunflower, whole corn, raisins, pumpkin seed and feed pellets to tempt backyard squirrels.

PEANUT TREAT SUET - A mix of rendered beef suet and roasted, chopped peanuts for woodpeckers, nuthatches and chickadees.

NUTRASAFF - Hulled safflower seed. Higher in protein and oil with less mess.
